INTRODUCTION

Welcome to the Toledo Area Artists 73rd Annual Exhibition, a showcase for the best creative efforts from Toledo area artists, sponsored by the Toledo Federation of Art Societies and The Toledo Museum of Art.

This year we broke new ground, formally adding a category to recognize the creative accomplishments of artists who work with video. Special thanks to the participants in this new medium, and we applaud all of the artists who submitted entries for consideration. Our jury of distinguished experts found this year's entries to be of the highest quality, making for an interesting competition and a well-balanced show.

We also expanded our eligibility guidelines this year. In addition to accepting entries from current residences in our seventeen county area, we opened the 1991 exhibition to former area residents as well, expanding our pool of both artists and resources. In response, more than 350 artists submitted close to 1,000 works for consideration - a clear indication of the high regard this cultural event brings to the city and its artists.

We are most grateful for generous contributions and support from members of the community as well as the Federation's fifteen member groups. Additional recognition and thanks go to Dr. David Steadman, Steve Frushour and the staff of The Toledo Museum of Art for their guidance and assistance in the planning and installation of the show. And a special thank you to the Federation's First Vice President, Helen Zeller, for her countless hours of time and assistance.

For the 73rd year, we have gathered the creative visions of the Toledo area artists for all to see. Many pieces are for sale, and you can honor an artist by purchasing his or her creation. Thank you for visiting the Toledo Area Artists exhibition. I'm certain you'll find it an enjoyable experience.

Robert M. Lubell

AWARDS

General Awards are selected by the jury on the basis of quality regardless of style or medium. The jury is authorized to give an award of $1,000 for Best of Show, two First Awards of $500, three Second Awards of $250, and four Third Awards of $150. The jury also presents the Israel Abramofsky Award of the Temple-Congregation Shomer Emunim of $500 for an outstanding entry in any medium; the Molly Morpeth Canaday Award of $350 for an outstanding painting; the Toledo Area Glass Guild's Dominic Labino Memorial Award of $250 for excellence in glass; the Northwest Ohio Watercolor Society Award of $200; the Toledo Friends of Photography Award of $100 for excellence in photography; the Roulet Medal for excellence in painting, graphics or sculpture; and the Craft Club Gold Medal for excellence in crafts.

Purchase Awards are selected by the Purchase Awards Committee of the Toledo Federation of Art Societies which consists of the Chairman of the Permanent Collection Committee and Federation officers. Purchase awards are added to the collection of the Toledo Federation of Art Societies. Loans of work from the permanent collection are made to civic organizations upon request.

SPECIAL AWARD

The Annual Special Award committee presents a certificate of commendation to an individual or an organization who in the past year has shown unparalleled support and outstanding service to the arts in the Toledo community. This year the Toledo Federation of Art Societies has chosen to honor Stephen Johnston, one of its former presidents, and a man with a strong interest and involvement in the arts. He is a past associate board member of the Art Commission of Greater Toledo, a member of the American Craft Council, and has been president of the Toledo Friends of Photography and the Toledo Potters' Guild. As program coordinator for the Toledo Botanical Garden, he coordinated the Crosby Festival of the Arts, the Art in the Park summer workshops, and was the manager of "The Brass Balloon", forerunner of "The Garden Gallery".
